Subject: Treasure Island

Hi Joe,

I briefed Mike Montgomery and Loren Henning today on the LEHR site. At the end Mike asked how Treasure Island was going. I told him about my conversations with the citizen caller and you. The context was expected increased media visibility, as I had also received a call from David Yogi that the Center for Investigative Reporting had called asking about TI.

So the bottom line is that Mike would appreciate a brief email describing your experience with the Rad Survey people. Please copy Loren and me as well.

Thanks,
David
